FOR IMMEDIATE RELEASE

The 154 members of United Flagstaff Fire Fighters, IAFF Local 1505 announce their endorsement of David Rozema for the office of Coconino County Attorney.

The citizens of Coconino County deserve to have someone with Mr. Rozema's experience and demonstrated leadership in this extremely important office

Through over twenty years of practice as a prosecutor and most recently as Chief Deputy County Attorney, David Rozema has demonstrated to our members that he has all the tools to do the job and to make sure that decisions in the office are based on the law and the evidence.

We are confident that he will be more than capable of addressing the challenges of prosecuting cases endemic to the geography and diverse population of Coconino County.
